JACOB NISNEVICH

5313 Evanwood Ave ◇ Oak Park, California 91377

(818) · 519 · 0127 ◇ jnisnevich@ucla.edu

EDUCATION

University of California, Los Angeles *(in progress)* *June 2017*
B.S. in Computer Science

· Completed freshman and sophomore years of Computer Science major at Henry Samueli School of Engineering and Applied Science

· Classes taken involving computer organization, data structures, basic computer architecture, assembly languages (IA-32, x86-64, MIPS), software construction, digital logic design, algorithms, and computer graphics (OpenGL and WebGL).

TECHNICAL EXPERIENCE

PrestoSoft, LLC June 2014 - Present
Web Developer Intern *Thousand Oaks, CA*
· Worked on both back-end and front-end development for the company's website, *prestosoft.com.*
· Used HTML, CSS, Javascript, jQuery, SQL, VBScript, ASP.NET and C#.
· Redesigned much of the front-end to adhere to responsive design standards and shifted code base away from HTML4 to HTML5 standards.
· Converted website's `<table>`-based layout to `<div>`-based layout on over 200 individual web pages.
· Created tool for automatic generation of PDF invoices from HTML form data using C# and .NET library iTextSharp.

NON-TECHNICAL WORK EXPERIENCE AND VOLUNTEER SERVICE

Brad Sherman 2012 Congressional Campaign March 2012 - November 2012
Campaign Staff Intern *Sherman Oaks, CA*
· Worked and campaigned for the 2012 Congressional Election in Californias 30th district.
· Helped with telephone calls and mailing/filling letters.
· Walked throughout the district to help set up posters and walked door-to-door with fellow campaign workers.

Southern California Special Olympics May 2009 - June 2011
Health Service Volunteer *Long Beach, CA*
· Worked in health booth and conducted multiple fitness tests such as BMI, weight, and bone density.
· Gave information and instructed athletes concerning healthy eating, dangers of smoking, and importance of avoiding direct contact with the sun, with regard to skin cancer.
